"Just as expected! This is a nice and well-made product. My baby loves this spider rattle. The colors are very appropriate to catch attention. I think this would make a super cute gift!"

Sindy F.

"My grandson loves bugs and when he got this spider for his 5th birthday he was over the moon. He loves to put it on everyone's head. He has a lot of toys but he loves this one the best."

Charlotte G.

"I got it for my 4 year old who loves spiders (don't know how she's my kid) and she loves it so much. This spider is such a cutie, it's definitely a product that I'd purchase again."

Jenny E.

"My son loves his new friend that just arrived yesterday. He sleeps with it and cuddles it and doesn't want to let it out his sight 😊 It is just as cute if not cuter than the picture."
