

LARGE GARDEN GROW BAG (31 X 12 IN)

"It is made of lightweight tarp like material. Has drainage holes on the bottom to let excess water out. Will be using these for planting flowers. Perfect for my little garden on my deck."

The flower or vegetable garden that you've been wanting for forever is easier to get set up than you think. Just buy a Garden Grow Bag, fill it with dirt and your plants or crops of choice, and get started! Grown anything you want!
