

XL GARDEN GROW BAG (35 X 12 IN)

"I live in an apartment and need to do container gardening, and I've never had container tomatoes end up so big! My plants were healthier and larger than they've ever been before. So pleased!"

The flower or vegetable garden that you've been wanting for forever is easier to get set up than you think. Just buy a Garden Grow Bag, fill it with dirt and your plants or crops of choice, and get started! Grown anything you want!
