

CAR PLUG-IN AIR PURIFIER

"I've got that air purifier for my husband's car. After a couple of days, he noticed that his car smells of pure cleanliness. Much better than any other air fresheners we've ever used!"

Filter out the bad, and puff out the good with this Car Plug-In Air Purifier. It releases 3.8 million cubic-centimeters of negative ions to neutralize unwanted odors. A true must-have for smokers!
