

3.93 INCHES FISHING BAIT

"Definitely will catch fish with these! We took these out on the pontoon and the boys were catching fish all day! Bass and northern were loving these! I recommend getting a set of these!"

There's plenty of fish in the sea and some of it can be caught by you! Are you tired of buying special food for baiting fish? Or maybe your old bait doesn't work anymore? We have a solution: this bait is an awesome thing for any fisherman!
