

MAKEUP SPONGE

"I've tried a lot of different sponges. These sponges are just perfect. Some of them are slightly softer, some are denser but all of them are great! They're easy to clean with a soap bar!"

Enjoy the incomparable convenience of the sponge on your face. The comfort, ease, and capabilities of this sponge are top-notch. Makeup gurus recommend them, and they do it not just because! Save up money and space in your makeup bag!
