

DRIPPING CROSS PENDANT

"When I opened the box I was excited to see how it felt. I was not disappointed at all! Love the design. I will wear this cross daily. Would definitely buy it again as a gift for someone!"

The market is full of different crosses. But it's hard to find a cross that looks tastefully chic. It's typically either very puritan, or over-the-top luxurious. Where is that desired middle ground? This Dripping Cross Pendant is!
