

8 PCS PEARL STUD EARRINGS

Exactly what was described. I was very surprised by the quality of these earrings. They're great, they look more expensive than they are. What a bargain for the money!

Love it!

Don't want another piercing? We got you! Edge up and layer your ear game with these stunning cuffs. Just slide them on! You can wear the one you like most on its own or stack them all together. Creating a fashionable look has never been easier!
