

BIKE HANDLEBAR BELL

"We have just started riding our bike and the bell is perfect. It's a great size, not too big, but makes a loud sound. High quality. The best bell for the price! I would recommend it."

A bicycle hooter provides the freedom and safety your child needs when they are enjoying their time riding their bike. With this hooter, you allow your child to enjoy his or her time on the bike even more and feel safe at the same time.
