

MICROFIBER CAR DUSTER

"I have a new car with a black interior and it always had little dust particles all over the dash. It was driving me crazy! This duster solved the problem. I could not believe just how much dust this little gadget was holding until I banged it out outside!"

Introducing an ultra-soft, scratch-free touch to dusting up your vehicle interior or exterior: this Microfiber Car Duster is the ultimate clean-up addition you'll love. Dust window blinds, tables, counters, and pesky corners and crevices!
