

MOTORCYCLE HELMET STRAP

"This little thing is amazing. It installed in about three minutes, completely eliminated extra strap dangle, and now allows me to buckle up in literally under a second. Legit, this thing is a game changer and I'd recommend it to anyone!"

Keep your helmet safe and in place when not riding with this simple yet handy Motorcycle Helmet Strap. Soft nylon construction provides softness & durability across bands to hold a helmet from front, middle, and back.
