

PLASTIC SUNGLASSES HOLDER CLIP

"This is a really simple product that works just as advertised. The clip slides onto the car's visor. It's very sturdy and well made. You can then clip sunglasses, pieces of paper or face masks securely onto the clip. Love it!"

Tired of hearing your sunglasses rattling in your cup holder or fearing that they'll get crushed in your center console? Then you'll love the simplicity and helping hand of our Plastic Sunglasses Holder Clip.
