

## PORTABLE LED WORK LAMP

Light up any workspace, play area, or space with this easy-to-carry Portable USB-Rechargeable LED Work Lamp. Your phone can't last forever (or shine for that far) – that's why this compact LED lamp is great to have on hand for any garden work, repairs, paint jobs, and more. It's simple and easy to take anywhere, from a backpack to your car glove compartment. You can charge it in any 12V outlet head.
