

ANTI-SLIP CAR DEVICE-HOLDING MAT

"Looks exactly as pictured, adherence strong, hasn't slipped once (even with the direct sun and heat of Florida wearing on the adhesive). I use it for so many things (keys, sunglasses, coins, etc), has so many functions!"

Like a holding space for your phones, our Anti-Slip Car Device-Holding Mat provides a resting place for devices as they charge up. Stick to your dashboard for instant storage space for devices, eliminating clutter in side pockets!
