

# BACKSEAT COAT HANGER

*"I purchased this for my brother who has to wear a suit on a daily basis for work. This works very well and he loves it! Now he doesn't have to put his jacket on the back seat where it get wrinkled. I'm getting another one for myself now!"*

Get sturdy support that holds right onto the back of your carseat with the Stainless-Steel Backseat Coat Hanger. All you gotta do is clip the plastic grips to the poles of your headrest, then screw in the jacket frame.
