

DOG TRAINING WHISTLE

"I've been trying it out with my dog Luna - she's a barker. Today as people walked by she would bark. I used the whistle and she quickly turned to me. It definitely gets her attention. I think it works really great!"

Every dog deserves the world. Or at least high-quality things that will give it a chance to learn with no interruptions. With this whistle, you can focus on the training and give the dog all the attention it needs.
