

POLYURETHANE FOAM SPONGE BLOCK

"Finally there is something big enough to wash the car! I've just tried it, and it's awesome, It absorbs a lot of soap, so I don't need to put more and more every minute. Washing my car has never been that fast and easy."

Absorb all the water (and wipe away)! Bring in this sponge for car washing and house window cleaning alike: our ultra-soft, super-absorbent Polyurethane Foam Sponge Block is ready to conquer all H2O challenges ahead.
