

SHOWERHEAD FOR GROOMING

"The shower head for animals corresponds to the description. The nozzle is super comfortable! Now washing my dog is a pleasure for me. Does work without any leaking! No high power pressure, but enough pressure to use for pets."

It's a great thing for anyone who washes pets! Thanks to the thoughtful design, it makes the washing much simpler and productive. Get all the dirt and washing products out of the fur, massage the skin, relax the pet.
