

DUAL PD & TYPE C USB CHARGER PORT

"I was expecting this charger port to be cheap and not deliver power well but I was pleasantly surprised. Quality is really good and it looks great in the panel. 10 out of 10 for me."

Whether you have an iPhone or Samsung or LG phone, rejoice in a multifaceted charging solution: our Dual PD & Type C USB Charger Port handles all your power-up needs. It utilizes the latest 3.0 technology so everyone can power up.
