

# PORTABLE BIRD HUMIDIFIER STICK

*"It works well! Enough steam for the car, and it's silent. And the design is very cute, this little bird is adorable ^^ I have used it for a week now and it's all good so far, so I can say that the quality is very good."*

Hit refresh on stuffy car interiors and uninspiring office spaces with the H2O-powered bliss of our Portable Bird Humidifier Stick. All you need is some water in a bottle or mug to activate this refreshing magic.
