

PORTABLE REINDEER HUMIDIFIER STICK

"A very nice and elegant humidifier. It works perfectly. It is plastic (tough), colored white. The horns and nose are metallic in color. Comes with a manual, a cable to be able to charge. Add that the power button is the nose."

Mist away the stuffiness of car interiors with the H₂O-powered bliss of our lovely Portable Reindeer Humidifier Stick. All you need is some water in a bottle or mug to activate this refreshing magic. A great gift!
