

RECHARGEABLE HOUSE-SHAPED LED HUMIDIFIER

"I just got it, but so far it's been well worth the purchase. I thought since it was so cheap it was probably going to be useless, but it has beautiful lights and it works absolutely silently."

Cozy up dry winter nights or stuffy rooms with the moisturizing comforts of this fun Rechargeable House-Shaped LED Humidifier. Fill up with water, drop in some essential oils, or turn on the LED lamp for any mood or feel you want.
