

SMART SENSOR FOAM SOAP DISPENSER

"I have dish soap in mine and use it for washing dishes and hands. No more struggling in the kitchen trying to use a non battery dispenser with dirty hands. Much more sanitary."

Level up on your sanitation game! Discover luxe foam dispensing from the comfort of home at any sink. Keep all the nasties at bay with this fun-to-use, great-to-have soap dispenser that magically dispenses foam at your command.
