

TIRE SCRUB BRUSH

"It's a very good brush, I believe. Looks sturdy and should be able to clean everything that needs to be cleaned. I've tried it once, my car wasn't really dirty, I just wanted to try the brush. So it was ok, very fast."

People often forget to actually scrub and clean their tires when washing their cars. That's why with our Tire Scrub Brush help you get the job done. It is perfect to ensuring your rims and wheels are cared for.
