

# TENNIS BALL GUN

*"This is a great product, and will provide hours of active fun and bonding time between your dogs and family. It is easy to use, and easy for kids! Recommend!"*

Just use this tennis ball gun, and your shoulders, as well as your dog, will thank you! The ball flies much further, compared to when people throw it by themselves. Literally unbreakable, it'll bring joy to both of you for a long time.
