

# TRAVEL MAKEUP BAG

*"Wasn't certain what this bag would be like but decided to try it. It's awesome. The compartments are great for all product types which allows you to segment all this "stuff" as you need or use it"*

If you're looking for something that's exceptionally convenient, look no further! It's an excellent carrier for your makeup products. Bring it along on a weekend getaway, and have all your essentials well packed and organized in one place.
