

# LED USB MOUSE & KEYBOARD PAD

*"Great mouse pad, it's comfortable and the sides are stitched which increases the mousepad's lifespan! It's also amazingly easy to clean due to it being waterproof. I'm happy and I just bought a second one!"*

A thing your desk misses!  
Make using your computer a bit simpler, cuter, and more pleasant. This pad will give you a ton of aesthetic and practical enjoyment while protecting the desk and the devices from scratching each other. Don't miss it!
