## MINT GREEN KEYBOARD & MOUSE SET

"Bought this keyboard/mouse combo for my pc and I love it! The keys are responsive, mouse has great tracking, and the profile is slim so it looks great anywhere. Worked right out of the box (after adding batteries)so I couldn't be happier!"

Aren't you tired of bright and glaring computer equipment? Do you want to give your desk that tasteful and colorful kick it misses? This Green and

white set will be an optimal addition to your workstation and your working regimen.
