

ANTI-STRESS BANANA TOY

"It was a gift for my oldest son (age 21) for Christmas. We all laughed and laughed and had a blast taking our turns playing around with it, from the 40-something parents down to the 8 yo children."

Give this banana to your kid or buy it for yourself, it'll be a great toy to play with. Anti-stress toys are one of the things to help dealing with intense feelings. With this banana, one can forget about boredom and high levels of stress!
