

# SHARK BALL LAUNCHER

*"This is cute and fun. I bought it for my mom and husband mostly so they could play with the cats. The toy makes a satisfying pop sound when it flings the ball, my cats love them. Hubby says they are a good stress relief as well 😊"*

Kids deserve the best!  
Allow your kid to play, shoot imaginary targets, and not inflict pain on anyone. No more painful bruises and complaints from those who accidentally got injured. Trusty, safe, but so fun – the timeless toy rethought.
