

SMALL DINOSAUR SQUEEZE TOY

"Absolutely adorable! I had bought this for my lab to help with children with autism and anxiety and it was a huge hit! Helps me do my job and keep children calm and entertained. Happy to see children's eyes light up and see their smiles."

Children can be very demanding and particular about the attention they get from their parents. Occupy your child with this cute dinosaur and let yourself have some free minutes to do what you need to do!
