

Astronaut Air Vent Car Freshener

Catapult your glow-up game into space with this super cool Astronaut Air Vent Car Freshener! It's a great way to merge personality with mood-boosting scent for a fresher driving experience. Claw clamps on our astronaut allow you to easily clip him right to an air vent in your car. All you have to do is pop in the fragrance tablets (included) for an excellent scent that will spruce up your car interior.
