

BEIGE POLYURETHANE LEATHER STEERING WHEEL WRAP

"I love that the color is exactly as it's shown. I'm very impressed by the look, feel, and manufacturing of the leather. Stylish, sturdy and uncomplicated. Fits great. Feels even better. Instantly makes your car look slicker. Highly recommend!"

Protect your steering wheel - add some grip to your drive! Keep your steering wheel from burning and peeling from intense sunlight with the PU rubber of our cover. Stitching detail also adds a touch of modern design to this cover.
