

DOG SOCCER BALL TOY

"My dog loves to play ball especially with this because he can easily grab it and run. He loves when you chase him around and try to take his ball. Very well made and has not come apart so far. I recommend this product. So much fun!"

Is your pup a super active fan of energetic games? Or maybe it has the makings of a successful football player? Well, then this soccer ball toy is a must-have for you! Your dog will never get bored with this soccer ball toy!
