

WATERPROOF NYLON CAR TRASH BAG

"This is exactly what I was looking for! Keeping my car free of trash is important to me, and this bag works perfectly! I like the elastic opening, keeps the trash inside. The bottom has velcro, so nothing falls out & it's easy to empty."

Add this soft-feel, non-bulky car trash bag over the headrest for a handy trash receptacle! An adjustable buckle strap lets you customize the hold onto your headrest poles while a velcro closure at the bag opening provides easy access.
